

Our Theory of Change

Logan's children are happy, healthy and thriving for generations to come

Outcomes and Impact

Leading to improved holistic wellbeing for children and their families in Logan

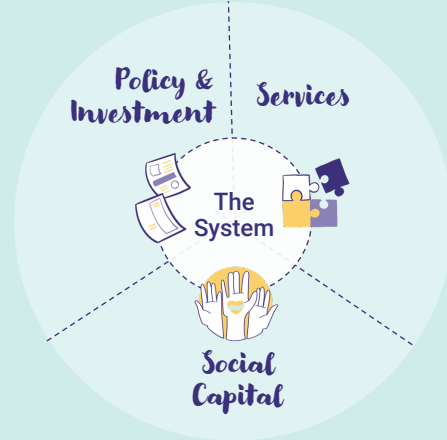

What we will measure

Children 0-8 are:

- Loved and safe
- Are participating
- learning
- healthy
- Have material basics
- Strong sense of culture & identity

Systems Change

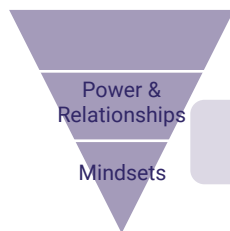

We can expect systems reform across policy, investment, services and social capital

- Family Foundations
- Strong Communities
- Effective systems

Ways of working

If we change how we work together across sectors

- First Nations First
- Community Led
- Children at the Heart
- Equity
- Collective Impact approach
