- Accommodation for 4 nights
- Meals Allowance

What is ChangeFest?

A national celebration of place based social systems change.

ChangeFest is a dynamic opportunity to learn, plan, collaborate and progress you and your community's agenda for change. You are invited to join a movement intent on changing the systems that hold disadvantage in place and our society back. Do you want a more inclusive, fairer, sustainable Australia? Come to ChangeFest and add your voice, your ideas and learn from one another. At the heart of this collaboration is a commitment to remind Governments that First Peoples, who have layered a culture of place in hundreds of communities over thousands of years and been confronted with different ways of doing by the recent creation of Australia as a nation, need to reimagine the relationship they have with the country's oldest citizens.

The ChangeFest Movement is focussed on communities, their children and intergenerational change, to benefit all Australians.

More information can be found at www.changefest.com.au or on Facebook— just search changefest.
