

The Early Years Checklist

Starting School

What school is your child going to attend?

The below documents will help during the enrolment process at your school.

Don't worry if you haven't got access to all of them right now. You can still start your child's enrolment for Prep, so contact your school today!

Information you'll need when attending your school enrolment meeting:

- Completed enrolment forms
- Child's Birth Certificate or other documents confirming their identity
- Parent's identification
- Child's immunisation record
- Four year old health check - FREE health checks are available your local child health service
- Medical information if your child has any conditions/medication
- Medical reports e.g. paediatrician or speech language reports
- Any legal documents relating to your child that you'd like to share
- Copy of your child's Transition Statement from Kindy (*if your child attended Kindy)

Prep is for all children and is their first year of school.

We know your new teachers are busy preparing their classroom for your child!

**School starts on
Wednesday 27 January, 2021.**
