

Family Foundations

- Equitable access to safe, nutritious, cultural and religiously appropriate food
- Children feel physically, emotionally and culturally safe
- Children, parents/carers and workforces learning about brain development and neuroscience
- Aboriginal and Torres Strait Islander, community, families and jarjums feel like their indigenous lives matter, respect is paramount and they are heard.

Strong Communities

- Sense of Belonging
- Social and Community connections
- Children and families are proud to live in Logan
- Children actively participate in decision-making that impacts their lives

Effective systems

- Quality of early childhood education and care
- Participation in Kindy prior to starting full-time education
- Children and families engaged in Community Hubs
- Systems integration with community identified needs

Logan's Footprints

We're walking together to see outcomes for Logan's families and children.

Our Footprints describe the signs we'll see along the way, helping us know we're walking together in the right direction to achieve Logan's Collective Plan.

LOGAN together
